

MessagePad Accessories

Now you can make your Apple MessagePad even more valuable, and make it work even more efficiently.

Because no matter which MessagePad product you have, you can choose from a broad

range of accessory products—from connectivity solutions to battery enhancements to storage options.

With these optional accessories, you can print letters, connect to your personal computer, or gain access to information on your

network. You can also work for hours without having to change batteries. And you can protect your MessagePad—and its accessories—in a leather carrying case, wherever you go.

Accessories

Newton Press

This easy-to-use software allows you to publish electronic documents such as travel itineraries, reference books, or sales charts on your personal computer for viewing and annotating on your MessagePad.

Newton Keyboard

Now you can enter information into your MessagePad with Newton 2.0 or 2.1 as fast as you can type. The comfortable touchtype keyboard is lightweight and portable and comes with an attractive carrying case, so you can take it wherever you take your MessagePad. It comes in several international versions.

Newton 9W Power Adapter

The Newton 9W Power Adapter lets you run your MessagePad using AC power and recharge the NiCd Rechargeable Battery Pack for the MessagePad 120, 130, and the NiMH Rechargeable Battery Pack for the 2000. This adapter meets universal power requirements (adapter plugs required for Europe, U.K., and Australia).

Newton 9W Power Adapter with Adapter Plugs

The Newton 9W Power Adapter lets you run your MessagePad using AC power and recharge the NiCd Rechargeable Battery Pack and the NiMH Rechargeable Battery Pack for the MessagePad 120, 130, and 2000. The base adapter meets universal power requirements. Adapter plugs for Europe, U.K., and Australia are included, making this a convenient, universal solution for professionals on the go.

Newton Adapter Plug Pack

Now you can use your Newton 9W Power Adapter anywhere in the world with the Adapter Plug Pack containing adapter plugs for Europe, U.K., and Australia for the international traveler.

Newton Rechargeable Battery Pack

This nickel-metal-hydrate battery pack is a cost-effective way to run the MessagePad 2000.

Rechargeable Battery Pack

This rechargeable nickel-cadmium battery pack can be one of the most effective ways to keep your MessagePad 120 or 130 running.

MessagePad Battery Charging Station

Sit your MessagePad 120, or 130 onto this charging station to run it on AC power while recharging its batteries. You can simultaneously quick-charge its external battery pack in two to three hours.

Print Pack

The Print Pack allows you to use your parallel printer with your MessagePad. It works with most popular laser, dot-matrix, portable ink-jet, and thermal printers, as well as with printers compatible with MS-DOS and Windows software-based computers.

2MB and 4MB Flash Storage Cards

Use the 2MB or 4MB Flash Storage Card to increase the storage capacity of your MessagePad, to back up your information, and to run more applications.

MessagePad Carrying Case

This leather "book-style" carrying case provides the protection and storage for your MessagePad 120, 130, or 2000. There's even room to store your PC Cards, business cards, and small notes.

MessagePad Wireless Communications Case

This case is the all-in-one solution for your MessagePad 120, 130, or 2000 cellular phone; wireless PC Cards; and various accessories—providing the ultimate in portability, protection, accessibility, and design.

MessagePad and Newton Keyboard Leather Carrying Case

This briefcase-style, high-grade leather carrying case is the all-in-one solution for your MessagePad 120, 130, or 2000, and Newton Keyboard. Plus, there's plenty of storage space for PC Cards, business cards, keys, various accessories, and file folders—providing the best in protection and portability with a comfortable handle and adjustable shoulder strap.

MessagePad Telescoping Pen

This pen is designed to fit perfectly into your MessagePad 120 or 130.

MessagePad 2000 Pen
